Dear partners! In this info letter you will find all information you need to know so far. The schedule of the activities will be delivered after the selection of the participants, so we can include their wishes and interests.

# TAKE THE CHALLENGE - BECOME A (BETTER) FACILITATOR

## ABOUT THE PROGRAM

This is 5 days long skills-orientated training course (TC) to improve the skills of participants, who would like to engage in facilitating non-formal activities with international groups and have little or no experiences in this field so far.

TC will be delivered by 2 Italian trainers, both very experienced (and generally amazing:)!).

## OBJECTIVES OF THE TC

a) To spread pedagogical and didactic knowledge for youth work .

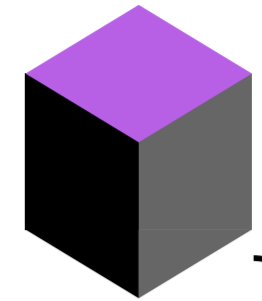

a) To empower beginners or people with less experiences for independent and quality facilitation of activities of non-formal education in intercultural environment.

**Therefore, participants will:**

- a) be learning about the methodology of facilitation of activities within various groups of young people
- b) understand how to design a non-formal activity and reflect on it
- c) be given a **practical** experience of facilitation - *participants will by the end of the week facilitate an activity at a local school! :)*

## TO WHOM?

The TC is suitable for young people aged **18 - 30**, who are active in youth organizations (as youth workers, group leaders, volunteers...) and have little or no experiences with facilitating activities of non-formal education within intercultural diverse groups.

We are looking for highly motivated people, who plan to use the gained knowledge in the future in their own organizations or local community (for example facilitating youth exchanges...). The TC is intended for participants who would like to become proficient in leading a group at non-formal educational activities and gain also practical knowledge. Participants shall participate during the whole TC (including practical part at the local school).

Each organization should send **3 participants**.

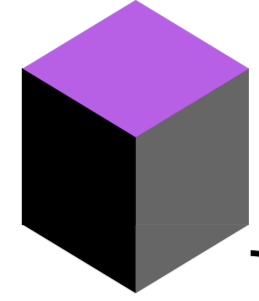

We are asking you to pay attention to the **gender balance**.

## TIMING

**ARRIVAL:** 17th October 2018, **until 18h** (but not earlier than 14h, since check in is not possible before)

**DEPARTURE:** 24th October 2018, **after 12h**
